Anyone using photos to share classroom community & activities w/ other classrooms? Places around the globe? #ecetechchat

23-Feb-12 02:19 | mpowers3

Great software I think is Photostory3, Moviemaker, iPhoto, Quicktime, iMovie for teachers/parents/students #ecetechchat

23-Feb-12 02:19 | mentormadness

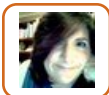

I do a lot of iron-on gifts. When someone sends me cute photo of grandkids, print on transfer, make pillow, tote, shirt, etc #ECETechChat

23-Feb-12 02:19 | KarenNemethEdM

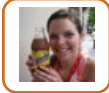

@mentormadness That's great! Other free tools people use or suggest to parents? #ecetechchat

23-Feb-12 02:19 | mpowers3

RT @noraleet: @MlleKathleen I dont buy books from iPhoto. I save to PDF and print on my own. | Resourceful. #ECEtechCHAT

23-Feb-12 02:17 | ECEtech

@lewismal You should see the amazing things @happycampergirl has been doing with #Evernote portfolios for her stnds #ecetechchat

23-Feb-12 02:17 | MlleKathleen

#ECETechChat benefit of using digi photos to create own books is you can write the words in any language, get parents to help, personalize

23-Feb-12 02:17 | KarenNemethEdM

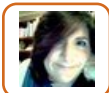

My students last year loved using the iTouch to create stories etc on StoryKit app #ecetechchat

23-Feb-12 02:17 | mentormadness

@noraleet Awesome, do you have the kids add comments to voicethreads? #ecetechchat

23-Feb-12 02:17 | mpowers3

@mpowers3 Yes Evernote seems to be a seamless way to use photos on the go with mobile devices. Gr8 4 portfolios & ongoing doc. #ECEtechCHAT

23-Feb-12 02:17 | ECEtech

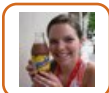

RT @MlleKathleen @mpowers3 Bk Creator app works well 4 exporting 2 iBooks Less \$ than ordering from iPhoto but they R beautiful #ecetechchat

23-Feb-12 02:17 | mpowers3

@MlleKathleen I don't buy books from iPhoto. I save to PDF and print on my own. #ecetechchat

23-Feb-12 02:16 | noraleet

@mentormadness I would DIE without my iPhoto! My district is a PC district too, but managed to get an iMac last year. #ecetechchat

23-Feb-12 02:16 | MlleKathleen

Digital photos R gr8 4 documentation & yes it makes it easier 4 recall, reflection, evaluation & documentation + affordable #ecetechchat

23-Feb-12 02:16 | mentormadness

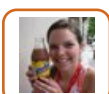

I use Voicethread for reflection. #ecetechchat

23-Feb-12 02:16 | noraleet

And you can use your photos in <http://t.co/s1ogqj61> for digital storytelling #ECETechChat

23-Feb-12 02:16 | KarenNemethEdM

@mpowers3 Book Creator app works well for exporting to iBooks. Less \$ than ordering book from iPhoto, but they are beautiful #ecetechchat

23-Feb-12 02:15 | MlleKathleen

Skitch from @evernote is a great tool to add captions and words to photos on the go #ecetechchat

23-Feb-12 02:15 | mpowers3

Pictures might be useful to demonstrate/document professional competencies in an e-portfolio #ECEtechChat

23-Feb-12 02:15 | lewismal

Can use digital pics as a prompt for professional reflection at end of each day.  
#ECEtechChat

23-Feb-12 02:14 | lewisml

@noralet @karennemethedm The Book Creator app is also fun. Exports to iBooks! #ecetechchat

23-Feb-12 02:14 | MlleKathleen

new iPhone app you take photos of kids doing outdoor things, insert them in story you read together

RT @MlleKathleen: Pictures are worth a trillion words in an ECE classroom. #ECEtechCHAT

23-Feb-12 02:13 | ECEtech

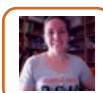

@mpowers3 I use photos all the time ( I take approx 200 per day) of children's learning & put in their portfolio as evidence #ecetechchat

23-Feb-12 02:13 | mentormadness

Pictures are worth a trillion words in an ECE classroom. #ecetechchat

23-Feb-12 02:13 | MlleKathleen

@KarenNemethEdM I love RealeBooks & RealeWriter to create real books #eceTechChat #edtech

23-Feb-12 02:13 | mentormadness

@KarenNemethEdM What book making software do you use? Anyone know if there are websites that print board books?  
#ecetechchat

23-Feb-12 02:13 | noralet

Do people use photos for documentation of student learning? Post in the classroom as timeline over year?  
#ecetechchat

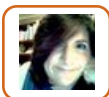

23-Feb-12 02:12 | mpowers3

@ECEtech Initially no hand written as the students are just learning to write sentences but towards the end of the year yes #ECEtechCHAT

23-Feb-12 02:12 | mentormadness

@mentormadness Are the play plans digital? Very cool idea. Like it. #ECEtechCHAT

23-Feb-12 02:10 | ECEtech

Neat! "@noraleet: We put photos of children, staff and parents on blocks with clear packaging tape to add to block area. #ecetechchat"

23-Feb-12 02:10 | GiovanniArroyo

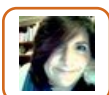

Gr8 way to involve extentend families @noraleet "When children start preschool, we take photos" and make books" #ECEtechChat

23-Feb-12 02:10 | lewismal

@noraleet Yes, pics can B great to establish a community/home feel Do u u use pics in reverse & have kids bring schl pics home? #ecetechchat

23-Feb-12 02:10 | mpowers3

RT @noraleet: We put photos of children, staff and parents on blocks with clear packaging tape to add to block area. COOL! #ECEtechCHAT

23-Feb-12 02:10 | ECEtech

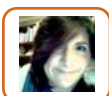

Students use photos of their previous work in their play plans. Helps inform & reflect on their practices ( just like teachers) #ecetechchat

23-Feb-12 02:10 | mentormadness

We put photos of children, staff and parents on blocks with clear packaging tape to add to block area. #ecetechchat

23-Feb-12 02:09 | noraleet

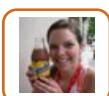

@lewismal Mobile devices make the process so much more integrated and easier for children to share and use meaningfully. #ECEtechCHAT

23-Feb-12 02:09 | ECEtech

RT @lewismal As Ipads ect become more used, integration of camera in device is v. handy. Will single function camera be binned? #ecetechchat

23-Feb-12 02:09 | mpowers3

Today we used the cameras to take pics of positive actions for Lent (ex: students sharing smth together) #ecetechchat

23-Feb-12 02:09 | MlleKathleen

using real items and photos of real, familiar places/people/things so important for DLLs #ECETechChat

23-Feb-12 02:08 | KarenNemethEdM

Saw a great use photos cut out as figures of people commonly seen at the center. Helped keep stranger anxiety down #ECETECHchat

23-Feb-12 02:08 | GiovanniArroyo

When children start preschool, we take photos of their new teacher, school building, etc. and make books to read at home. #ecetechchat

23-Feb-12 02:08 | noraleet

Children use these photos to print out and make "how to" books for other students to replicate the building/structure. #ecetechchat

23-Feb-12 02:08 | mentormadness

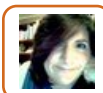

As Ipads ect become more used, integration of camera in device is very handy. Will single function camera be binned? #ECEtechChat

23-Feb-12 02:08 | lewismal

@mentormadness Me too. Real cameras definitely. #ecetechchat

23-Feb-12 02:06 | noraleet

RT @mentormadness: @mpowers3 Yes Im a big believer in letting children use real tools - not toy cameras designed for kids #ECEtechCHAT

23-Feb-12 02:06 | ECEtech
